phases of the patient's care from resuscitation through discharge. This continuum of care includes the Emergency Department, Radiology/Imaging Services, Laboratory and Blood Bank, Operating Room, Intensive Care Nursing, Medical-Surgical Nursing, Physical Therapy, Social Services and psychological support for the patient and family. This level of comprehensive care is immediately available 24 hours/day every day of the year.

As San Francisco's only Trauma Center, SFGH provides resuscitation, diagnosis, treatment and rehabilitation for complex injuries affecting all areas of the human body. Over 3,300 adults and children are treated each year for injuries requiring activation of a multi-disciplinary team of surgeons, nurses, technicians and therapists.

SFGH is the home for the **Poison Control Center** in northern California, where information about poisonings and treatment is provided around the clock to healthcare providers and the general public over a telephone network.

#### Academics and Research

Through its long-standing affiliation with the **University of California, San Francisco (UCSF)**, SFGH serves as a major teaching hospital for Medicine, Nursing, Pharmacy and Dentistry. All of the physicians at SFGH are UCSF faculty. Approximately 1,500 UCSF physicians, specialty nurses, health care professionals and other professionals work side-by-side with 3,500 City employees at SFGH. The City and County of San Francisco pays UCSF for the patient care services through an affiliation agreement. Each year, over 350 third or fourth year medical students, 800 residents and 60 clinical fellows are trained at SFGH. Thirty-two percent of all the UCSF interns training in 17 academic departments and 35% of all UCSF medical students' clinical training are conducted at SFGH.

In addition, SFGH provides approximately 200 clinical nursing placements at the Associate, Baccalaureate and Masters level for students from UCSF, the California State University System, local community colleges, and Bay Area private universities and colleges each year.

The hospital is also home to more than 20 research centers and major laboratories. Over 160 principal investi-
