There's a note at the end of the text listing things that are not suitable for adding to the compost bin.. Defining Travel also highlights American experiences of mobility by including essays on Native Americans and early contact with the New World, as well as the massive migration of African Americans to northern cities.. As the field of travel itself "travels" across academic and theoretical boundaries, it brings together sociology, anthropology, geography, history, psychology, and literary criticism.. Mapping out definitions of travel, the collection includes essays on tourism and travel writing, on modern globalization and the diaspora, on immigration, migration, and forced relocation.. Likewise, as the essays in the collection demonstrate, discussion of travel crosses a range of personal and theoretical perspectives--from the postmodern sensibility of Jean Baudrillard to R.. This unique 2-hour series will help you distinguish between the voice of the intellect and the powerful guidance that comes from the uncharted realms of intuition.
